ABOUT INDIAN ROADS CONGRESS (IRC)

The Indian Roads Congress (IRC) is India's apex body of Highway Engineers and Road Infrastructure Professionals, established in 1934. IRC hold an annual conference along with a Technical Exhibition for companies, organisations and institutes associated with Road Construction, Maintenance & Development. The 83rd IRC Annual Session and Technical Exhibition will be hosted in Raipur, Chhattisgarh, from November 8th to 11th, 2024.

With over 80 years of legacy, IRC has been instrumental in driving the nation's progress through road infrastructure, research, and innovation. Come, be a part of the most effective platform for professionals, engineers, policymakers, and industry leaders to exchange ideas and set new benchmarks in the road and transportation sector.

Why You Must Participate in the Technical Exhibition?

The Technical Exhibition at IRC's Annual Session brings together thought leaders, innovators, and businesses from across the globe. By participating, you get to:

- **Showcase** your latest technologies, products, and solutions to a niche audience of decision-makers and industry stalwarts and professionals
- **Network** with leading and upcoming professionals, officials and policy makers in the road and infrastructure sector
- **Gain insights** from cutting-edge developments and latest research in road engineering and construction fields
- **Expand your reach** through visibility among targeted key stakeholders, including government bodies, contractors, and consultants
- **Visibility and awareness** about your organisation or institute among the key stakeholders

ABOUT THE TECHNICAL EXHIBITION (LAYOUTS OF 2 HALLS)
